Pass back in time to an old-fashioned carnival full of antique slot and pinball machines, mechanical memorabilia and games. It's a very busy place with lights flashing and marionette music playing all around you. Marvin's is listed in the World Almanac's 100 most unusual museums in the U.S. Once you're inside, it's hard to know what game to play first!  
P.S. - Grandparents can get real sentimental here!  
P.S.S. - Bring lots of quarters, all the machines work!

With over 6,000 animals representing over 760 species, The Toledo Zoo is one of the world's most complete zoos-it's also the region's top family destination! Let the Zoo take you from the Arctic tundra to the wilds of Africa, from the tropical rainforest to the Sonoran Desert and all points between.  
All in one great afternoon!
